## Employment History

### Peri-operative RN | H/K/B Cosmetic Surgery, Mt. Pleasant, SC | 2025–present

- Provide peri-operative nursing care across pre-op, intraoperative circulation, and post-op recovery for 10–20+ surgical cases daily.
- Collaborate with surgeons and multidisciplinary teams while maintaining infection-control, medication, and safety protocols.

### Peri-operative RN | Carolina Coastal Plastic Surgery, Myrtle Beach, SC | 2024–2025

- Delivered peri-operative care for cosmetic and reconstructive procedures, including screenings, documentation, OR preparation, and recovery monitoring.
- Educated patients and families on procedures, recovery expectations, and post-operative care to support safe outcomes.

### ED Nurse | South Strand/Grand Strand Medical Center, Myrtle Beach, SC | 2022–2024

- Managed triage, assessment, and treatment for 30–50+ patients per shift in high-acuity emergency settings.
- Prioritized urgent and life-threatening conditions while coordinating timely care with interdisciplinary teams.

### Staff Nurse | Tidelands Georgetown Memorial Hospital, Georgetown, SC | 2017–2022

- Provided Med/Surg nursing care for 5–7 patients per shift, including assessment, medication administration, education, and care planning.
- Documented patient progress, coordinated labs, and supported treatment plans for diverse medical-surgical diagnoses.

**Medical Esthetician | Back To 30 Rejuvenation Centers, Greenville/Murrells Inlet, SC | 2015**

- Performed 20+ weekly medical-aesthetic treatments and consultations using advanced skincare technologies and medical-grade products.
- Educated clients on treatment options, post-care expectations, and personalized skincare plans.

**Business Manager | Estee Lauder, Belk, Easley, SC | 2006–2007**

**Business Manager | Estee Lauder, Dillard's, Myrtle Beach, SC | 2005**

- Managed retail operations, inventory control, merchandising, and daily sales tracking for Estee Lauder counters.
- Recruited, trained, and coached beauty advisors while driving customer loyalty and exceeding retail sales goals.

**Realtor | Coldwell Banker Chicora Real Estate, Surfside Beach, SC | 1999–2002**

- Sold residential real estate across Horry and Georgetown counties through market research, client outreach, and targeted marketing strategies.
- Prepared contracts and transaction documents while supporting commercial division leadership with client and administrative needs

Dear Hiring Manager,

I am excited to submit my application for a Registered Nurse position. With 8+ years of nursing experience across Med/Surg, Emergency, Telemetry, Orthopedic, and Peri-operative plastic surgery settings, I bring a strong clinical foundation, calm decision-making under pressure, and a patient-centered approach to every care environment.

My background includes managing 30–50+ patients per shift in high-acuity emergency settings and supporting 5+ surgical cases daily in peri-operative plastic surgery care. I am skilled in triage, patient assessment, medication administration, care planning, patient education, infection-control practices, and multidisciplinary collaboration. I take pride in delivering safe, efficient care while helping patients and families feel informed and supported throughout treatment.

In addition to my nursing experience, my background in medical aesthetics, patient consultation, and business management has strengthened my ability to communicate clearly, build trust, manage priorities, and contribute positively to both clinical teams and patient experiences. I am committed to high standards of safety, professionalism, and compassionate care.

I would welcome the opportunity to discuss how my clinical experience, surgical support skills, and dedication to patient-centered care can benefit your team. Thank you for your time and consideration.

Sincerely,

Donna Denise Ray, RN
